

11-2568/A

March 31, 1959

Dr. Howard A. Rusk
The New York Times
Times Square
New York, New York

Dear Howard:

I greatly regret that I did not have an opportunity to take up with Foster your letter of March 19, 1959, as prior to his departure for the South he was only attending to the most important items of official business, and as you can well appreciate, they were many.

I am now sending this on to him in Florida for his consideration.

Sincerely yours,

Allen W. Dulles
Director
